

Semco® specialty application nozzles

Semco® offers a wide range of specialty long-reach nozzles designed for hard to reach applications.

All the nozzles listed below can be custom bent for your specific application. See the reverse side for additional styles and sizes.

Model 820
P/N 220557

Model 840
P/N 220559

Model 8690
P/N 220606

Model 1002
P/N 220561

Model 1004
P/N 220563

Model 1010
P/N 220565

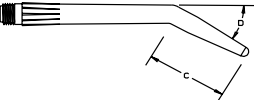

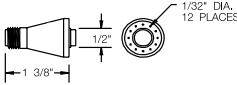

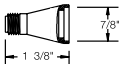

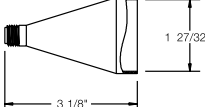

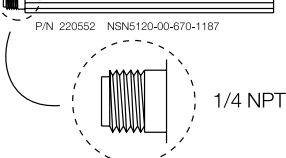

The nozzles shown above are precision molded of low density polyethylene. All dimensions shown are in inches.

Orifice diameter

- 1/16"
- 1/8"
- 3/32"
- 1/16"
- 1/8"
- 5/16"

Semco is a trademark of PRC-DeSoto International, Inc., registered with the U.S. Patent Office.

All recommendations, statements, and technical data contained herein are based on tests we believe to be reliable and correct, but accuracy and completeness of said tests are not guaranteed and are not to be construed as a warranty, either expressed or implied. User shall rely on his own information and tests to determine suitability of the product for the intended use and assumes all risks and liability resulting from his use of the product. Seller's and manufacturer's sole responsibility shall be to replace that portion of the product of this manufacturer which proves to be defective. Neither seller nor manufacturer shall be liable to the buyer or any third person for any injury, loss, or damage directly or indirectly resulting from use of, or inability to use, the product. Recommendations or statements other than those contained in a written agreement signed by an officer of the manufacturer shall not be binding upon the manufacturer or seller.
