PPG Aerospace – Transparencies is a leading and experienced manufacturer of replacement windshields for *Bombardier Learjet 31, Learjet 35 and Learjet 36* airplanes.

The PPG Aerospace windshield for *Learjet 31, Learjet 35 and Learjet 36* airplanes has two polycarbonate main plies with acrylic outboard and inboard plies so that it is exceptionally strong and lightweight. It is designed to provide cost-effective performance. The windshield is produced in the same facility that manufactured original-equipment windshields for *Learjet 31, Learjet 35 and Learjet 36* airplanes during the programs' production life, assuring a well-fitting part. PPG Aerospace is able to offer replacement windshields that are manufactured to the latest design configuration.

Operators know they can count on PPG Aerospace for transparencies that provide significant value because of their reduced life-cycle cost.

Main Windshield

Features

Acrylic-Polycarbonate
Laminate

Benefits

- Combines high impact resistance and high strength-to-weight ratio of polycarbonate with scratch resistance of acrylic
- Lightweight
- Bird-impact resistant

Electrically Heated

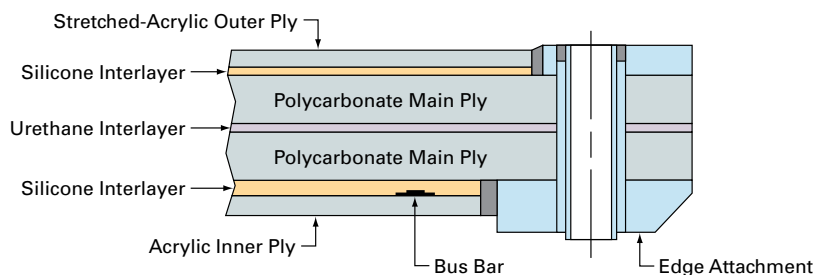

- Excellent heating uniformity
- Excellent powered optics

Original Equipment
Manufacturer (OEM)

- Latest design configuration
- Approval recognized by worldwide aviation authorities

BOMBARDIER LEARJET 31, LEARJET 35 AND LEARJET 36

Windshield

Part Numbers

Pilot Windshield	167800-51
Copilot Windshield.....	167800-52
